

DECAF SUCKS

**Find and share
good coffee,
anywhere on
Earth**

DECAF SUCKS

You know that thing where you arrive in a new city and you find a good coffee shop and all is well with the world? That's what we're here for.

Good coffee is a comfort and a joy. Bad coffee is a wasted opportunity. Decaf Sucks is about helping each other find great coffee anywhere on Earth.

Find coffee quickly

Open the app, see nearby cafés, rated for quality by the community. It's that simple.

Caring community

Enjoy your coffee? Or maybe not so good? Either way, help the next person by writing a review.

Beautiful clean design

We love our apps like we love our coffee. Every pixel built with care.

Plus...

- ★ Be part of small but caring community of coffeelovers worldwide. Seek out new towns, new cafés. Feel like a local wherever you go.
- ★ Instant login with iOS-wide social accounts. You have more important things to do than remembering passwords – like drinking coffee.
- ★ If you like decaf, it's OK. Really. We're not judging.

DECAF SUCKS

Find coffee quickly

Open the app, see nearby cafés, rated for quality by the community. It's that simple.

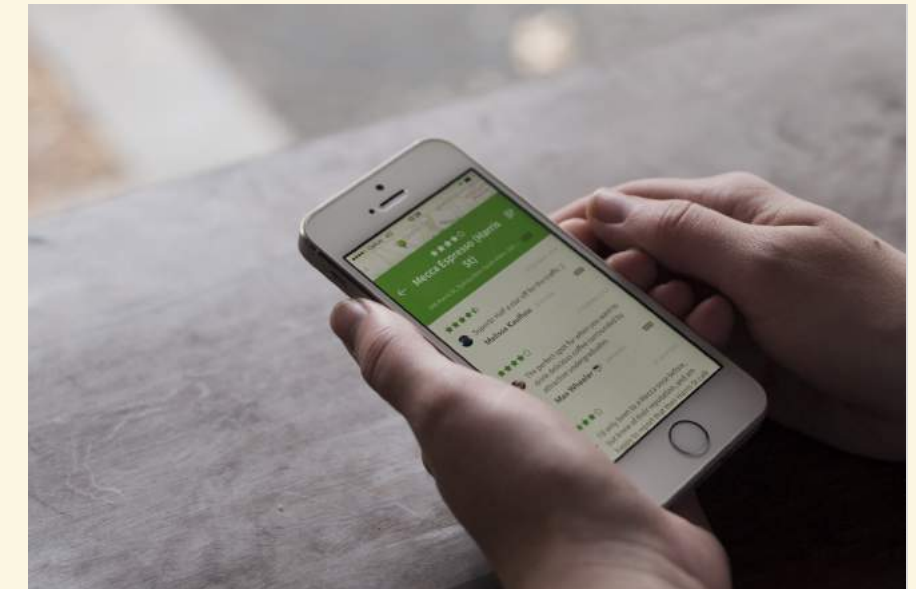

Use the combined list/map view to get a better sense of the caffeine landscape around you.

Caring community

Enjoy your coffee? Or maybe not so good? Either way, help the next person by writing a review.

Use the integrated iOS sharing to share cafés and reviews with friends.

Instant login with iOS-wide social accounts

You have more important things to do than remembering passwords – like drinking coffee.
